WINFRED J. PICKARD,
Auditor.

Epsom, N. H., February 18, 1915.

REPORT OF THE BOARD OF EDUCATION.

As the financial school year has closed your school board submits the following report for the year ending February 15, 1915:

We have maintained five schools of thirty-one weeks each. The North Road pupils all attend the South Pittsfield school, as they all live much nearer that school than the North Road schoolhouse. This seems to be a very satisfactory arrangement.

A few children who live very much nearer Chichester than their own school in town, are attending a school in Chichester, and the pupils from the Mountain school are conveyed to New Rye.

During the year we have made minor repairs on the schoolhouses. We have bought some new readers and replaced other worn-out books as necessary. Some new maps are needed very much.

The enumeration by the truant officer of the children in the district between the ages of five and sixteen years, gives the number of boys 77 and girls 52, making a total of 129.

Mr. Henry S. Roberts, our superintendent, closed his year's labor with us July 15, 1914. Thursday evening, June 18, 1914, graduating exercises of the eighth grade were held at I. O. O. F. hall at Short Falls. A pleasing program was presented to a large audience, and a class of eleven received diplomas presented by the superintendent.

From this class eight have entered Pembroke Academy, making a total of nineteen attending that school from this town. One student attends Concord high school, one

Pittsfield high school and one Coe's Academy, making twenty-two students entitled to high school privileges.

For the amount to be raised for high school tuition we would recommend \$700, and for books and supplies \$150, as usual.

Money spent for the benefit of the children is one of the best investments that the town of Epsom can make.

Respectfully submitted,

LIZZIE F. FOWLER,
SAMUEL R. YEATON,
HAROLD S. BICKFORD.
